CLEANING AND SANITISING YOUR YARD AFTER FLOODS

When the flood waters have gone from your yard you **MUST** clean and sanitise the yard with bleach solution.

To make bleach solution for sanitising

1 Part Bleach + **10** Parts Water
e.g. 1 cup bleach to 10 cups water

- Remove all garbage from yard, place in garbage bags for collection

- Drain all remaining pools of water

- Always wear protective clothing when cleaning – gloves and boots

- Remove bottles tyres and other containers that are likely to collect water, to prevent mosquitoes from breeding

- Wash and scrub concrete and tiled surfaces with bleach solution

- REMEMBER** to wash your hands thoroughly after cleaning

Prepare a foot bath and place at from and back entrances to your house. Stand in foot bath for 5-10 minutes before you enter the house

To make a foot bath

1 Bucket Water + **24** Teaspoons Bleach

Change foot bath twice daily
